

## KINGS' COLLEGE MISSIVE

Dear Parents,

Greetings from Kings' Family!

"A journey of a thousand miles must begin with a single step."

At the onset of this sparkling new academic year, we extend a very warm welcome to our dear students, teachers: warm wishes to parents and all readers alike. Many thanks for a very encouraging feedback to our launch issue of 2014.

There is no better time than dawn of a fresh new year to recall the ups and down and learn from our mistakes and achievements in 2014. It's been a while but we are back with our newsletter and hope Sandesh continues to be viewed as launch pad for children's creative urges to blossom naturally. We need to recognize, appreciate, applaud and foster the fine blends of sensibilities in a child.
